

Welcome to Pequeño Da Vinci!

Escoleta Maria Serra will change its name to Pequeño Da Vinci and the new management team will be Carla Caviedes, Marta Caviedes and Sofia Caviedes. We have more than 20 years of experience as preschool teachers and preschool owners in the city of Stockholm.

We are passionate about the education and care of the youngest children. (6 month – 3 years). One of our main goals as new owners of Little Da Vinci is to be able to contribute to give the children the opportunity to receive an education full with care and meaningful pedagogy that will be the foundation for their future lives and learning. To achieve this, we will base our education system on the Scandinavian preschool pedagogy and Montessori pedagogy.

As teachers committed to the development of your children, we also consider it very important to give your children the tools and the opportunities for them to be able to develop their knowledge in different languages such as Spanish, English, and Swedish for those who has it as their maternal language.

The academic year 23/24 starts on September 7. There are still a few places left. For more information contact us at:
